2020 UNYOC Executive Chair Report

To: UNYOC/MLA Members

When we gathered for last year’s annual meeting in Watkins Glen, New York we were “Immersed in the Experience” – until a random fire alarm went off! We laughed about the timing, coming as it did in the middle of Rebecca Blakiston’s presentation about the power of building empathy into our daily routines. While the novelty of such an incident makes it memorable, what has really stayed with me over the past year is the fact that we did not give up and walk away from each other. We stayed together and figured out a way to adapt to shifting circumstances.

Although we could not know it at the time, this theme repeated many times in the months that followed. Consequently, the work accomplished by the Executive Committee this year is different from what we set out to do.

- **Online Payment Taskforce**
  - Ginger Trow, Beth Mamo, Rachel Becker, and James Evans formed the Online Payment Taskforce and began working on the process of transitioning the Chapter website to accept online payments of membership dues and conference registration fees. The task force determined that PayPal is not a sustainable option for this due to the level of programming involved for each new event.
  - They were just beginning to investigate the functionality of Wild Apricot when all and sundry was disrupted by the COVID-19 global pandemic.
  - Work on this project will resume after the Annual Meeting.

- **Archives Working Group**
  - The Executive Committee agreed in October to recruit any interested members of the chapter to form a working group whose charge is to revise policies and procedures for preserving the history of UNYOC.
  - Work on this project did not start in 2020. It is now a goal for 2021.

- **Annual Conference in Poughkeepsie, New York**
  - A survey of UNYOC members from April 15 – 24, 2020 helped the Executive Committee to make the difficult decision not to meet in person for the 2020 Annual Conference.
  - Of the 54 responses, 90% of members indicated that they would attend an online conference.
  - The Conference Planning committee took up this charge and successfully planned and executed the first Virtual UNYOC Annual Conference.
  - The vendor in Poughkeepsie agreed to apply our 2020 payment to our conference event in October 2021.
New volunteers have come forward to serve on the 2021 Conference Planning Committee.

Procedure Manual Updates
- With special thanks to Mary Jo Russell and Olivia Tsistinas for their diligent work, the 7th edition of the UNYOC Procedure Manual is ready to submit to UNYOC members for comment.

UNYOC as a chapter continues to be financially stable, thanks in large part to very generous donations from our vendors. Notwithstanding, the costs associated with rolling out an online payment system must be considered carefully, along with the possibility of offsetting those costs by increasing membership dues. This question will be brought to UNYOC members at the 2020 Business meeting on October 29, 2020.

Please review the attached reports detailing the accomplishments of all Executive Committee members of the chapter.

**Motions for Full Membership Vote at Business Meeting:**
- Acceptance of the Business Meeting Minutes from October 2019
- Acceptance of the FY21 budget
- Acceptance of Slate of Nominees for 2020 – 2021

**Goals for 2021:**
1. Review Bylaws to ensure alignment with revisions in UNYOC Procedure Manual, 7th Ed. (2020)
2. Complete investigation of the feasibility of Wild Apricot as the Chapter’s online payment platform
3. Recruit volunteers to form an Archives working group that will be charged with updating policies and procedures related to Chapter History
4. Discuss possible membership dues increase with UNYOC members.

In closing, I extend sincere thanks to the members of the 2019 – 2020 UNYOC Executive Committee and the Conference Planning Committee for their dedication to UNYOC. As a member of the Executive Committee recently observed about our chapter, “We are small, but we are mighty.”

_Respectfully Submitted by Lorraine Porcello_
 _Executive Chair, 2019 – 2020_

Activities and Accomplishments:

- A complete overhaul of the Procedure Manual has been completed and is ready to be approved by the Board and by the membership; every effort has been made to bring it up current practice, and the entire document has been re-formatted for better flow and easier editing.

- Focused effort has been made to clarify the terms of service for each of the elected and appointed positions, with a proposal for approval by the membership.
  - To clarify, all terms begin immediately following the vote at the business meeting in October and continue through the life of the term until the next business meeting vote.

- For Chapter business, meetings and conversations have successfully continued via Zoom; we adopted the statement of conduct as approved by MLA.

- Both the treasurer and the secretary now have portable drives for storing budgets and meeting documents.

- The Executive Board will be sponsoring a work group to set a plan for the archives and records management of the Chapter’s business going forward, in consultation with Amy Lyons who has served as our archivist for many years and maintains the physical archives at Buffalo.

- We are actively recruiting volunteers for a reconstituted Conference Planning Committee that will start in November of 2020; conference planning co-chairs are also needed that will serve overlapping 3-year terms, as follows
  - Co-chair #1 – 2020-2023
  - Co-chair #2 – 2020-2023
  - Incoming Co-chair #1 – 2021-2024
  - Incoming Co-chair #2 – 2022 – 2025

- Plans for the 2020 Annual Meeting at the Poughkeepsie Grand Hotel in Poughkeepsie, NY have been moved to October 27-29, 2021. Very preliminary plan is to do a hybrid of an in-person and live-stream conference if possible.

UNYOC Members-at-Large Report October 2020

Submitted by current members-at-large:

Deborah Crooke, New York Medical College, Valhalla, NY
Jennifer Raynor, University of Rochester, Rochester, NY
Amanda Ross-White, Queens University, Kingston, ON

The UNYOC Members-at-large are responsible for reviewing UNYOC professional development award applications as well as those for the Ursula H. Poland scholarship. UNYOC typically awards a maximum of six professional development awards of up to $1,000 each in a given year. This year we departed from usual practice due to the transition of most professional development opportunities to an online format in response to the COVID-19 pandemic. Instead, smaller awards were offered to enable an expansion of the overall number of awards granted.

2020 UNYOC Professional Development Award Recipients:

Elizabeth Mamo
Elizabeth Stellrecht
Nell Aronoff
Karin Dearnness
Jeanette Aprile
Angela Thor
Elizabeth Yates

Despite recruitment efforts at regional Library Schools, there were no applicants for the Ursula H. Poland Scholarship this year.
Conference Chairs’ Report

2019 Update (October 23-25, Watkins Glen)

The 2019 conference was very successful. In addition to generating a small profit, feedback on the invited speakers and member contributions was positive. UNYOC’s healthy bank accounts allowed planners to invite more expensive keynote speakers and CE instructors. Based on the previous year’s feedback, the number of invited speakers was reduced from three to two, allowing for more member contributions and time with vendors.

UNYOC membership, vendors, and conference planners provided ideas for improving future events:
- Better communicate room block information, especially when space becomes limited
- Ensure the venue has detailed information regarding attendee food restrictions
- Improve online payment options
- Better coordinate registrant information between conference planners, especially those responsible for generating conference packages and building menus
- Reinstate vendor lightning talks

2020 Update (October 28-29, Online)

Although the conference had been planned to occur at the Poughkeepsie Grand Hotel, the pandemic forced us to cancel the in-person meeting and replace it with an online event. The original venue has agreed to extend our contract to 2021. Although a call for member content went out, the response was limited. Therefore, planners canceled the member contribution portion of the event.

An online CE will take place on October 28th, followed by a full-day event with an invited speaker, vendor talks, MLA and NNLM updates, and the UNYOC Annual General meeting on the 29th.

Because of the format change, the planning committee also changed the vendor sponsorship model from a tiered to a pay-what-you-can model. Vendors wishing to pay more than $500 were offered enhanced opportunities, including speaking time with attendees during the event and logo placement in the conference program. The modified sponsorship model was well received, and nine vendors registered for the event.

McGraw Hill agreed to provide technical support for the event. They were granted enhanced vendor status in return.

Although some initial planning and communication challenges occurred, registration levels for both the CE and full-day events are high. As of October 15th, CE registration was 36, and conference registration was 62.

The UNYOC Board agreed to waive all CE and Conference fees.

2021 Update

The 2021 event will take place October 27-29 at the Poughkeepsie Grand Hotel.

This interactive and experiential course is designed to help you develop an understanding of implicit bias, its impact in libraries and health care, and how it stands in the way of workplace diversity and inclusion. You will leave the course with a deeper understanding of bias, implicit bias, stereotype threat, and micro-aggression, a greater awareness of your biases, and practical strategies to overcome biases and incorporate cultural competence into your library services.

Update

The Empire State Library Network (ESLN – formerly NYS 3Rs Association) Hospital Library Services Program Coordinators have started a costshare program of sorts for the MLA webinars. To save money and to make the MLA webinars more affordable and available to other council members, some 3Rs councils such as Long Island Library Resource Council (LILRC) and the Western New York Library Resources Council (WNYLRC) have purchased group licenses for specific MLA webinars and then made seats available to other Councils for $20 per seat. The seat cost is paid to the sponsoring council by the other councils who wish to participate. Each hosting council is responsible for advertising and distributing sponsored MLA webinar offerings to other Councils and to their members. This new program has been working well. For further information, email Grace DiVirgilio at gdivirgilio@wnylrc.org.

UNYOC Communications Committee – Co-Chair Report for 2020

Submitted by Rachel Becker and Andrea McLellan

This year our focus has been on preparing for UNYOC 2020, first the physical conference and then revising content for the virtual conference. Devin, Beth Mamo (previous Treasurer), Ginger (current Treasurer), James Evans (Government Relations Committee chair) and Rachel were part of a committee at the beginning of the year to select a new payment platform. Wild Apricot was ultimately chosen in lieu of PayPal. There were issues with the communication between the website, Wild Apricot and Affinipay, (the software that processes the credit card information), but those issues were resolved. Going forward we hope to streamline this process so we don’t run into issues in subsequent years.

Since UNYOC 2019 we have added 3 blog posts from winners of the Professional Development Award. Past Presentation documents for UNYOC 2018 and 2019 were added to the website, as well as the 2019 Annual Report to the Membership. We are using Monster Analytics to track our website statistics, and over the past 30 days we’ve had 500+ visitors and 1,200+ page views with about a 70/30 split between USA and Canadian visitors Our Facebook page, managed by Ginger, currently has 116 followers and 109 likes.

New York State/Ontario budgets:

- Both New York State and Ontario have passed budgets that are expected to be in flux as both recover financially from the COVID-19 pandemic. To read details pertaining to either, consult with:
  - Summary of NYS budget pertaining to libraries from NYLA: [https://www.nyla.org/nyla-2020-2021-budget-statement/](https://www.nyla.org/nyla-2020-2021-budget-statement/)
- The U.S.-Canadian border will remain closed until further notice.

2021 Objectives:

- Attend Library Advocacy Day in Albany. (pending pandemic)
- Continue to reach out to MLA, NYLA, and Canadian members on national/regional updates
- Continue to work hard to keep the membership informed of current actions and to mobilize members to contact their representatives in support of library funding.

Summary

I sent calls for renewals to the UNYOC listserv in January and June. There were two new members.

The option to pay for membership online was suspended due to complications with Canadian currency payments. A steering committee convened prior to the pandemic to investigate a new product that could effectively handle online payments, membership and conference registration. This project is ongoing and I recommend moving forward.

Please contact me if you would like to confirm your membership and payment.

Respectfully submitted,

Elizabeth Mamo, Membership Chair

Cristina and Abby will share the 2020 meeting minutes when they become available.
The remainder of this report is the 2019 Chapter Council Meeting Minutes.

- Standing Committee bylaws changes--Pursue? - Melissa Ratajeski and Donna Berryman
  - People seemed to agree that the Chapter Officers should be required to be MLA members
  - But, it was felt that the standing committees of each Chapter are local and chapter-focused and those people should not be required to be MLA members
  - It was noted that the MLA dues could be seen as a barrier for some, making this an inclusion issue.
  - ACTION ITEM (Donna): Continue to discuss and make decision if a motion should be put forth to board.

- MLA offering services to MLA - Melissa Ratajeski and Donna Berryman
  - Midcontinental is piloting
  - Discussion: Now that MLA is managed by MCI, are there services that we might like to see provided centrally? This could be web services, meeting registration, dues. Perhaps archive services, both print and online for things like conference proceedings.
  - ACTION ITEM (Donna): It was decided that this might be something to explore via email.

Goal: Cultivate relationships with other similar organizations to foster networking
Status: 6 members participated in the Hawaii Library Association Annual Meeting. 4 members presented posters at the poster session and 3 members presented a NIH/NLM Consumer Health resources session.

Facts and Data

- HPC-MLA members participated by submitting posters and a session on NIH/NLM Consumer Health Resources.

- Annual Meeting, March 22, 2019 at John A Burns School of Medicine, Health Sciences Library
- CE Events
  1. MLA Webcast: Aligning the Three Pillars of Effective Instruction: Outcomes, Teaching, and Assessment for Health Sciences Librarians x Date/Time: July 12,
Medical Library Group of Southern California and Arizona (MLGSCA)

Executive Summary:
During the 2018-2019 term, MLGSCA focused on methods to increase member engagement, streamline operations, and advocate for changes to health policy. We undertook a project to revise our website and refine our social media strategy in order to keep members better informed. To streamline operations, we consolidated committees with overlapping functions and performed a long-overdue revision of our Advisory Council Manual. MLGSCA also sent a position letter to the California Department of Public Health advocating for stronger language supporting medical libraries in the General Acute Care Hospitals Administration Regulations.

Strategic Plan:
- Member engagement: ongoing discussions of ways to engage new members, improve recruitment, increase use of our mentor program, and find more ways to meet face-to-face
- Operations: consolidated committees to streamline operations and revised Advisory Council Manual to better reflect current practice
- Health policy advocacy: sent a position letter to the California Department of Public Health regarding proposed amendments to the section concerning medical libraries in the General Acute Care Hospitals (GACH) Administration Regulations
- Website and social media: working on redesigning the website (likely migrating it to WordPress), better integrating the blog, and refining our social media strategy
- Digital archives: working on digitizing the historical documents for MLGSCA, since it does not make sense to try to preserve paper documents now that we no longer have an archivist
- Merger: ongoing discussion of potential merger and revision of survey to go out to membership

Mid-Atlantic Chapter (MAC)
None submitted; notes above.
Midcontinental Chapter (MCMLA)

- MCMLA had a successful second virtual meeting in Oct. 18 so we have decided to schedule virtual meetings every other year

- The Chapter’s new Endowment Fund met its initial donation goal, taking an important step to insuring a more stable financial future for MCMLA!

- Chapter Chair, Heather Brown, decided as her term goals to:
  - Review all our committee responsibilities and functions. She is also looking at how MLA Strategic Plans can be more widely incorporated into the goals and work of our committees
  - Appointed an Assessment Engagement Task Force to gather information on how well the Chapter is serving our members. The report will be used for future planning and to developing strategies to increase member involvement

- Jackie Hittner, our Chapter Treasurer has started a column in our Chapter newsletter, “MCMLA Express”, to keep our members apprised of Chapter finances

- The Chapter is pleased that our new “Emeritus” membership category has already begun to grow, encouraging retired members to stay involved

- MCMLA would still like MLA to give further consideration to changing the bi-laws so chapter committee members don’t have to be MLA members except for standing committee chairs and elected officers.

Midwest Chapter

- As of April 22, 2019, the Midwest Chapter has 248 regular members, 13 retired members, and 14 student members, for a total of 275, down from 291 at this time last year. Regular member dues are set at $30 per calendar year, with dues waived for retired and student members.

- The Midwest Chapter’s annual meeting for 2018 was held in Cleveland at the Westin Cleveland Downtown; the theme was “Shake, Rattle, and Roll.” The 2019 meeting will be held October 4-7 in Milwaukee, with the theme of “Discover, Connect, Collaborate.”

- Current officers are Merle Rosenzweig, President, Karen Hanus, Immediate Past-President, Emily Ginier, President Elect, Kathryn Mlsna, Treasurer, Laura Menard, Membership Secretary, and Edith Starbuck, Recording Secretary. Margaret Hoogland
and Kerry Dhakal will be Chapter Council Representation and Alternate at the end of this year’s MLA.

- Midwest Chapter is still working on getting chapter finances in order after the Acteva incident several years ago. Fundraising efforts continue, with silent auctions held at the last two annual meetings. A fundraiser was also held to determine the species of owl we wish to use as our chapter critter; the Northern Saw Whet Owl was chosen.

**New York-New Jersey Chapter (NY-NJ)**

*Executive summary*

- As of 4/1/2019, we have 151 members in good standing, and 6 new members have joined in 2019

- The NY-NJ Chapter of MLA has worked hard to secure a location to house the chapter archives. The previous home of the archives was undergoing a renovation, and we needed to relocate. A lot of work went into finding a home in the NY area, and we accomplished this goal in December of 2018. They are housed with Clancy Cullen at their storage facility in Elmsford, NY. They are accessible to all members with 24 hours notice. Clancy Cullen is a moving and storage company that specialized in libraries.

- The NY-NJ and the Philadelphia merger is moving forward. The NY-NJ Philadelphia steering committee was formed in June of 2018. It consists of a combined seven members from the respective chapters. The chapter chairs (immediate past, present, and elect) from both chapters worked together to create an online workspace with documentation to guide the steering committee. The initial goal of the steering committee is to develop the committee charge. This task was given to the committee in December 2018. The steering committee will report back to their respective boards.

- Planning for the 2019 Annual Meeting has begun in earnest in March of 2019. A program Committee Chair and Co-Chair were selected, and the programming committee is in place. A location, date, and agenda are being finalized. The annual Meeting will be held in Fall 2010.

*Group strategic plan*

The Chapter’s latest goals include the following:

- Update chapter manual to include more detailed processes and timelines - COMPLETE

- Increase membership - ONGOING

- To actively move forward with merger of the New York-New Jersey and Philadelphia Chapters – ONGOING
• The CE Committee is working diligently to offer MLA-approved CE courses which include Journal Club activities - ONGOING

North Atlantic Health Sciences Libraries, Inc. (NAHSL)

Leadership Roster
Jeannine Gluck—Chair
Ellen Brassil – Past Chair
Beth Dyer – Chair-Elect
Rachel Lerner – Treasurer
Lori Bradshaw – Secretary
Janene Batten – Chapter Council Representative
Dina McKelvy – Chapter Council Alternate

Summary
Conference Schedule Change
• One-day and three-day conference formats in action – intent that format will minimize cost and time away from workplace in order to increase attendance.
• NAHSL 2018 – 3-day Conference October 28 – 30th in Manchester, New Hampshire with the theme of “Remaining Strong in an Ever-Changing Landscape.” first, and very successful,
• NAHSL 2019 – second one-day annual conference: “Full steam Ahead”
After 2019 one-day conference, we will vote on whether to continue to alternate the single and three-day formats.

SIG Pilot
The association’s Maine members voted to dissolve HSLIC (Maine’s Health Sciences Libraries & Information Consortium) and form a SIG within NAHSL. The NAHSL Board voted to approve the formation of SIGs within the association.

Membership Shifts
NAHSL recognizes an emerging interest in membership from non-traditional groups such as agencies, public libraries and institutions of higher education that might not be affiliated with either a hospital or a medical school per se but that offer health related services or curriculum in nursing and allied health fields, and thus have the potential to offset the drop in membership due to hospital mergers and library closings. State representatives are newly charged with reaching out to prospective new members.

NAHSL Strategic Plan.
The new three-year strategic plan has been accepted. Each year the Chair-elect will lead the revision of the document, deleting objectives that have been met, and adding new goals and objectives. See http://nahsl.libguides.com/ld.php?content_id=41011678
Broad Priority Areas:
1. Promote health sciences libraries and librarianship through a commitment to collaboration, outreach and professional development
2. Sustain membership
3. Improve NAHSL’s internal structure to better serve its constituency

Award:
2018 NAHSL Achievement Award was presented to Janene Batten in recognition of her many years of outstanding service to the chapter in a variety of leadership roles.

Of note
- Salary survey NAHSL is conducting a salary survey -- in cooperation with MAHSLIN (MA) and CAHSL (CT).
- NAHSL Conference Proceedings. UMASS created repository for NAHSL conference proceedings. Benefits: for presentation elaboration; increased visibility; stimulating research and scholarship especially at phases of research with minimal data. Formatting allows for branding and customization, peer review and embedded videos.
- NAHSL Narratives. NAHSL is the recipient of the 2019 Majors/MLA Chapter Project of the Year Award for NAHSL Narratives. Launched in 2016, the series of videotaped oral histories and ongoing member conversations present personal testimony and achievements that reflect a broad unity of commitment and conviction that’s sure to inspire and ensure our viability in a complex health environment. NAHSL plans to continue the NAHSL Narratives into the future.
- Bylaws and Handbook. New procedural details not requiring a vote of the Board or membership were identified, formalized and added to the NAHSL Executive Board Handbook, to be expanded into a Policy & Procedure Manual as a resource for membership-at-large.
- Archives Move. The NAHSL Archives that have been physically kept at Harvard are now housed at UMass Medical Center. Money saved, and easier access to the records.

Pacific Northwest Chapter of MLA (PNC)
None submitted; notes above.

Philadelphia Regional Chapter

South Central Chapter (SCC)
- As of March 14, 2019 the South Central Chapter has 216 members.
- The 2019 SCC Annual Meeting will be held October 11-16 in Oklahoma City, Oklahoma at the Sheraton Downtown, with Joy Summers-Ables and Emily McEwen co-chairing Local Arrangements and Shari Clifton chairing the Program Committee. The meeting theme is New Routes on an Information Journey. SCC will once again be working with the SCAMeL group to hold its popular and award-winning Writers’ Workshop in conjunction with the conference.
- SCC’s 2018 annual conference in San Antonio netted the chapter $27,000 of revenue in excess of expenditures. This amount has been verified by an outside accountant and is mostly attributed to very successful cost containment and efficiency efforts. The meeting program and hospitality was outstanding, so the local arrangements and program people did an outstanding job balancing costs meeting effectiveness.
- SCC’s goals for the current year are:
  - Migration to RegFox for future meeting/conference registration services
  - To begin planning for the hosting of a joint meeting with Southern Chapter in New Orleans in 2021
  - Implementation of SCC best practices for social media
  - Promotion of membership benefits within the Chapter and its Sections

Committee Reports
Elections - David Duggar

- The Election Committee Chair made minor updates on January 23 to the Election Information Form for Candidates for MLA Nominating Committee regarding dates and years.

- The Election Committee held one election this year, being the 2019 Chapter Council Election for MLA Nominating Committee.

- The Election Committee activated and requested Candidates’ names on February 4. All thirteen chapters provided candidates. Distribution of the Election Information Form to candidates began March 5 with deadline of March 18. Final forms March 28.

- The 2019 Chapter Council Election for MLA Nominating Committee started April 1 and ended April 8. Eleven of the thirteen chapters voted in the election. Five candidates won one of six positions outright. These five candidates are:

  Walter R. Benavitz, III (Hawaii-Pacific)
  Caroline Marshall       (Southern California and Arizona)
  Angela Spencer           (Midcontinental)
  Antonio DeRosa          (New York-New Jersey)
  Michelle Lieggi            (Northern California and Nevada)

- A run-off election began on April 9 between the three candidates having the sixth highest number of votes in order to determine the winner of the sixth position. Twelve chapters voted as of April 11, resulting in a final run-off between the top two vote recipients. The thirteenth vote would not have affected the outcome. The run-off election between three candidates was locked and ended on April 11 rather than continuing to April 16.

- A final run-off between the top two recipients started April 11 and ended April 17. Twelve chapters voted with a clear winner and no possibility of a tie. The sixth position goes to:

  Amy Lyons                   (Upstate New York and Ontario)

- The six candidates in the 2020 election of the MLA Nominating Committee from Chapter Council are:

  Walter R. Benavitz, III (Hawaii-Pacific)
  Caroline Marshall       (Southern California and Arizona)
  Angela Spencer           (Midcontinental)
  Antonio DeRosa          (New York-New Jersey)
  Michelle Lieggi            (Northern California and Nevada)
  Amy Lyons                   (Upstate New York and Ontario)

Majors/MLA Chapter Project Jury - Latrina Keith

- Three submissions were received.

- After review, the jury reached a motion to nominate the North Atlantic Health Sciences Libraries Chapter (NAHSL) for the 2019 Majors/MLA Chapter Project of the Year Award.
• The project “NAHSL Narratives” are oral histories of chapter members captured in video format. In them, members relay anecdotes from their professional experiences as health sciences librarians in the North Atlantic Region.

Liaison Reports

MLA Education Annual Programming Committee Liaison - Janna Lawrence (MR gave)

• As Chapter Council Liaison to the Education: Annual Planning Committee, I took part in the review of courses, symposia, webinars, and other potential educational offerings. Most of this work was done online, including virtual meetings in November and March, to select webinars in 2019 and courses for the MLA2020.

• In 2018, MLA sponsored 14 webinars. All fourteen 2019 webinars were announced in January, which facilitates planning for potential viewers.

• At this year’s Annual Meeting, 18 courses were scheduled for Friday and Saturday, with at least one in each of the six professional competency areas. There was also one 6-hour symposium, Managing in the Middle: Learning to Lead from Where You Are. Fun fact: the course numbers (eg, 103, 401, 603) indicate which professional competency the course most directly addresses. Competency 1 is Information Services, Competency is Information Management, 3 is Instruction and Instructional Design, 4 is Leadership and Management, 5 is Evidence-Based Practice and Research, and Competency 6 is Health Information Professionalism.

• It was decided this Spring that the Education Annual Planning Committee would be disbanded. The work that has been done in the past by EAPC and its predecessor, the Continuing Education Committee, will now be done by the Education Steering Committee (ESC) and the Curriculum Committees. There is now a Curriculum Committee for each professional competency. Members of the EAPC who were not scheduled to roll off this year were all offered positions on the ESC or a Curriculum Committee.

MLA Recruitment and Retention Liaison - Skye Bickett

• The PRRC has been developing videos and other testimonials for promoting the profession. Once completed, chapters may use these videos and other resources to promote medical librarianship in their regions.

• We have the Job Placement Center prepared for MLA with job postings, resume reviewers, and volunteers to welcome those with questions. Currently, we have 24 reviewers and 16 reviewees that are scheduled to meet.
